Membership (Q2) - Code 02 Not Practising

FEE = \$100.

For members who were registered as active with CPTNB in the previous year *and* who are not actively engaged in the practice of physiotherapy anywhere *and* who remain eligible for re-instatement. (e.g. parental leaves) If you are registered in another jurisdiction, this category does not apply to you. You may apply for concurrent *active* registration with CPTNB as long as you meet the application requirements for active registration.

IMPORTANT: Members who register as Not Practising/Inactive and who wish to return to active practice during the same year, must register for active practice by paying the balance of the practising fee, providing proof of current individual PLI and having confirmation of being registered as active BEFORE returning to practice. Apply to CPTNB at least 2-3 before start date.

Additional fees = \$300. if practice begins before July 1st **OR \$175.** if practice begins on or after July 1st

Membership (Q2) - Code 03 Temporary/Telepractice

FEE = \$125.

For members whose certificates to practise are time, event or situation limited and who concurrently maintain registration in good standing in another jurisdiction during the duration of the temporary practice in N.B. in any one year, to a maximum of 30 days.

Membership (Q2) - Code 07 Retired

FEE = \$100.

For members whose practice hours have fallen below minimum (1200/5 yrs.) but who may use the title in certain circumstances. *Read Regulation 2 and contact the Registrar.* You may be eligible for this category if you are no longer employed in field for which your Physiotherapy background was required to obtain the position. If you are in a position where registration as a "PT" or use of the title is referenced, you must qualify for active registration.
